

Store Sheds/ Bike Sheds/ Log Stores

Our Store buildings can come open fronted, single door or double doors. These can be used for storing recycling, logs or even bikes. It's down to you to choose your size. Height internally is 4'6". These styles can vary, for a quote on a specific size and design, contact us. We recommend small sizes to be fixed to a wall to keep secure.

Animal Shelters

Over the years we have designed and built many buildings for animals. Ranging from Guinea pigs utilising a small kennel. Enclosed Cat runs. Dog Kennels with runs, Chickens, Alpaca Shelters, Horse Stables, pigeon loft and many more.

We have prices readily available for kennel styles, chicken sheds and runs also the basic stables. All other buildings we would be required to work out a quote as all have been bespoke to the customer. Just let us know your needs and requirements.

Workshops

Standard Workshop
6'3" to the walls
44mm x 70mm framework

Deluxe Workshop
Deluxe Workshop are 7' to the walls.
44mm x 70mm framework

There are many options to add to these buildings:

- Stable effect door
- Larger windows
- Metal Sheets on roof
- Mortice lock with keys
- Flat Shiplap or our own design
- Opening windows

Potting Sheds

Potting sheds are perfect for starting off your seedlings ready for the growing season. They come with a bench across the front of the Perspex windows. Available in many sizes starting from 6' x 4'.

Using the same framework these are designed to allow plenty of light in.

Optional extras:

- Stable Door
- Metal Sheets on Roof
- Combined with another building
- Additional Window
- Additional Shelving

Bars

Celebrate with Family and Friends with these Garden Bars. There are 3 styles which are the Pent Roof (1) The Curved Roof (2) and the Movable Bar (3) which is on wheels. They all have serving hatches and can be adjusted to suit your garden.

Gazebo/ Hot Tub/Open Shelters

With houses being built so close, we worry about the privacy of our garden. To solve this, wooden Gazebos protect you from the sun as well as giving you that privacy.

Playhouses

Our playhouses come with many safety features which makes these popular for schools as well. To find out more on our safety features, head to our website for a full list.

- These can come:
- Different sizes
 - With Veranda
 - Without Veranda
 - 4 Pane Window
 - Single Window
